Speaker:

Representatives from the organizations

Summary

AsiaWorld-Expo (AWE) is a member company of HKIA SHL, subsidiary of the Airport Authority Hong Kong. AWE is one of the world's premier exhibitions and entertainment venues. A magnet for the world's leading brands and corporations to showcase their offerings to the world, AWE offers flexible integrated exposition space, with outstanding support facilities and world-class catering options. AWE offers huge, column-free, integrated ground-access spaces with high ceilings, flexible configurations and ancillary services that can accommodate everything from rock concerts to global conventions and expositions to product launches.

AWE had upgraded hardware including Hong Kong's largest indoor seated stadium- new retractable seat riser system, wifi-6 and mobile studio, hybrid meeting facility, smart solutions for sanitation and Ice Thermal Storage Installation, etc. It is worthy for BSOMES members to these opportunities to more understanding the operation and maintenance of mechanical ventilation of aforesaid system in AWE
